LAND DISPOSAL PROGRAM: HEARING NOTICE, DRAFT PROPOSED REVISED WASTE DISCHARGE REQUIREMENTS FOR JOHN SMITH ROAD LANDFILL CLASS I AND CLASS III LANDFILL, SAN BENITO COUNTY

Central Coast Regional Water Quality Control Board (Central Coast Water Board) staff prepared the draft revised Waste Discharge Requirements Order No. R3-2010-0021, draft Monitoring and Reporting Program No. R3-2010-0021, and draft Staff Report for the John Smith Road Class I and Class III Landfill. The Central Coast Water Board will hear public comments and consider this matter at its May 12, 2010 Board meeting in San Luis Obispo.

The subject documents are available for review on our website at:
http://www.waterboards.ca.gov/centralcoast/board_decisions/tentative_orders

Interested parties not able to access the documents electronically may request a paper copy delivered by mail. Interested parties must submit comments on the subject document no later than **March 18, 2010**. The Central Coast Water Board will not accept comments or other written submissions on the draft Order after March 18, 2010, unless the Central Coast Water Board Chairman rules that exclusion would create a severe hardship, and that the late submission will not prejudice any party or the Central Coast Water Board. Any person submitting late comments must explain why the materials were not submitted by March 18, 2010. The Central Coast Water Board Chairman will rule on late submittals at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Central Coast Water Board staff have time to consider the evidence before the meeting.

If you have any questions or comments concerning the draft Order, please contact **Dan Niles** at (805) 549-3355, or by email at dniles@waterboards.ca.gov, or his supervisor, Thea Tryon, at (805) 542-4776.

Sincerely,

for Roger W. Briggs
Executive Officer
